

请认真并仔细复习以下资料!!!

一. 考试心得（作文的话看我的模拟题熟悉一下框架，有朋友考过，基本没有问题。口语是我们的弱项，重点关注）

- 1、自己参考题库答案去撰写自己的答案，朗读并去背诵（熟悉框架），修正朗读不顺的部分，自己掐着表去练习（每道题有固定的时间去说）。建议考试前一周，每天看未考过的题库，多读几次我觉得就稳了。准备时间里要开口大声读，套用格式，把内容填进去正式读就顺了；
- 2、地图题：关于什么场景的特写，里面有什么（可以全部列举），然后根据方位on the left/right/at the back/In the front/behind等说一下一些细节；
- 3、采访：没什么可说的，一直都不难，选最简单的方式去答，多说，但不要纠结着太高的技巧和语法（个人观点）；
- 4、日程表会议安排等：进去就开始读时间（15 to=45 half=30 a quarter=15分等） 读各项名称，最后一题一般都是前面内容相似的两项或者三项，照着念时间、名字、举办者等等，可以参考后面的答题套路；
- 5、大题，选择最容易说的，用例证或者管观点论证，用套路+内容填，我觉得问题不大。尽量说流利，不要卡顿。

最后，希望大家都一次过。

2道题, 每道准备45s, 回答30s

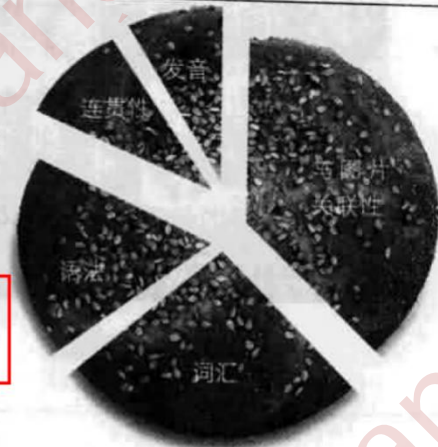

评分要素 图片描述部分共有个题目，满分为3分。

图片来源与我们第一部分看过的图片相同。

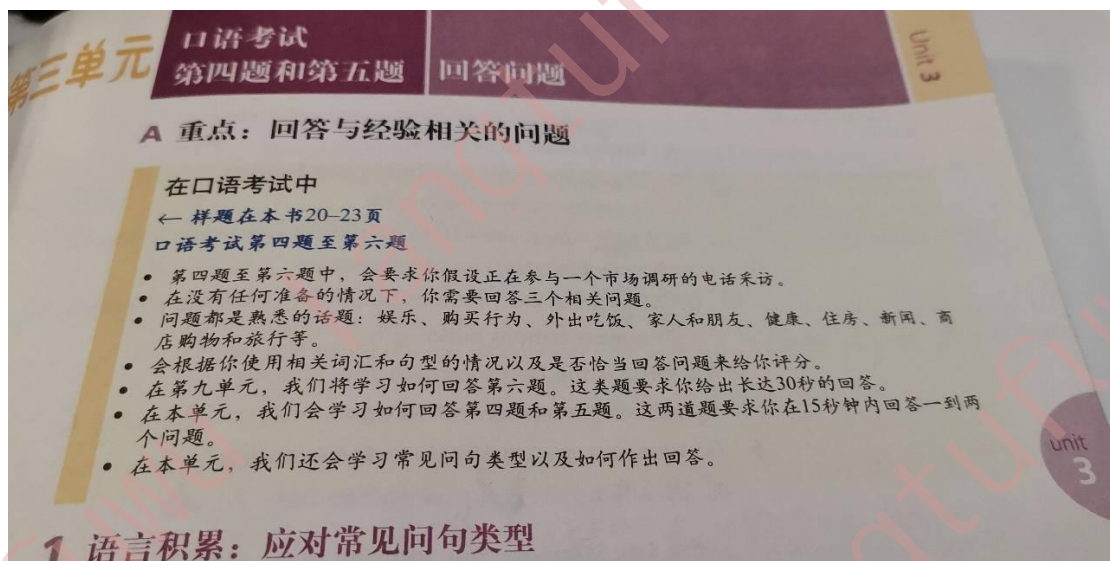

评分标准为“能否使用恰当的词汇和丰富的句型尽可能地将细节部分描述出来”。

当然，词汇和句型再精彩，但离题万里、描述的内容与图片毫不相干是拿不到分数的。哦，可以拿到0分。☹另外，准确描述图片中所出现事物的名称、动作的词汇能力非常重要。在45分钟之内，最少用5句话，注意相互连贯起来，不要给人中断的感觉。看看下面得满分的答案样例。

五: 第11题, 你认为解决问题的能力, 还是沟通能力, 还有组织能力 (organization skills), 三个能力中哪个能力是最重要的, 为什么?

According to my personal experience, the communication skills are the most important ability.

I would elaborate [ɪˈlæbəˌreɪt] on this point by giving three reasons:

Firstly, today's work is more complicated and difficult. No people can finish the work all by himself. Such as a big software development, a big project needs many people work cooperation.

Secondly, the communication is the best way to find the root/ (result) cause when we meet some issue, then we can solve it quickly. The last but not least, people can find happiness through better communication with each other, at the same time it will be also useful to our work. To the reasons above, communicate skills are the most important ability.

更了①-可以对比原文, 主要修正语法。

②Communication plays a very important role in our daily work and life. Firstly, people need sincere communication to enhance feelings and resolve **contradictions**. Secondly, sometimes customer

maybe complain us and this requires good communication to make customer trust us. For example, in my team, many customer complains can be avoided if we communicate better.

Lastly, good communication can make better team work.

③I think communication skills are the most important for the following reasons: First of all, communication skills enable us to express our views clearly and share our views with others. Secondly, people with strong communication skills often have high Eq. they can make others feel happy and work efficiently. Finally, a person who is not good at communication is generally difficult to be understood, and everyone can't know his real thoughts. The above reasons are why I think communication skills are more important

Pls keep that in mind.

解题思路, 仅供参考:

日程表类解题参考:

一般都是让你阅读一篇书面议程或者日程表

1、首先认真阅读所提供的信息, 每个时间段所要做的事情, 平时要能听熟练表达并听清各种时间段。12:00 p.m. middle、Twelve noon

2:00 two o'clock in the afternoon 2 P.M.

7:30 p.m. seven thirty P.M. half past seven in the evening

11:00 a.m. eleven a.m. eleven o'clock in the morning

11:15 eleven fifteen

2、第一题: 要学在日程表里找答案, 如果没有找到可以说let me see now ,争取时间

3、第一题一般比较正向, 第二题可能会有否定回答, 要学会时间礼貌性语言, 比如I am sorry

或者I am afraid that 如果

认真查看标注星号和有脚注的信息, 一定会考察这个问题可能相反的问题, 比如开会不含餐费, 那么就会有人问你是否含午餐; 回答是不含午餐, 但是你可以在午休时间自己去附件找地方吃饭。

4、在第一个问题发出来之前, 有30S时间研究日程表, 例如

主题 (是什么)

一天中的某一时间 (早中晚) 各总结每个时间段发生了什么时间, 并记住关键点

如果有注释一定要仔细看, 有时问题与他相关

5、回答问题时不要用1到2个单词里回答。必须完整的回答每一个问题, 从问题中挑出可以用得上的单词, 比如要对问题进行确认, 必须要回到原文信息对比与问句中问题是否保持一致, 如果不一致, 要复述出正确的答案信息

6、如果回答是否定的, 表述时必须要有礼貌, 比如NO, I am terribly sorry ,but I am afraid XXX

I am afraid that

回答问题经典句子:

Yes,certainly .Let me just see .Yes ,accordingly to the agenda /itinerary , it says that +从原文组织词语

OK, just a moment ,Let me check the agenda ,

I am very sorry ,but I am afraid that XXX

最后一题一般都是干完正事后, 附件或者额外的事情, 或者是由于暂时出了某种事故, 通过标注, 需要通过读懂文章推断出的问题。

3.4 表达观点

你认为在就职一份新工作时 work hard willingness 还是colleague communicate well更重要?
-努力工作的意识和跟人相处、协作能力哪个更重要

Answer:

I think work hard is more important when get a new job because the following reasons:

Firstly, there will be many new things need to learn for a new job, we must work hard.

Secondly, it takes time to adjust to new colleagues and new jobs. This also needs to work hard. Lastly, work hard is always the right way to be a good employee, whatever new jobs or old jobs. I have worked for many years and I always work hard.

Answer:

4.4 表达观点

五: 第11题, 如果你可以改变你们国家的图书馆, 你想改变哪一件事, 为什么?

According to my personal experience, I think the function is very well of the National Library now.

If I had a chance to change the library, I would add online reading function. There are three advantages as follows.

Firstly, We can access the library at any time in Home to inquire and read materials. It will save a lot of city traveling time.

Secondly, Online reading can reduce public spending.

The last one and most importantly, It's better to reduce the chance of people face-to-face in an enclosed space because current epidemic situation, I suggest access the library online.

To the reason above, I suggest add the online reading function of National Library.

The most thing I want to change is increasing the types of books in libraries. At present, many books in our country's libraries are not very comprehensive and cannot meet people's various requirements.

So more and more people spend a lot of time reading on the Internet. It's unhealthy to our eyes especially for children. If our libraries are full of various books, we would prefer to go to libraries with family or friends. This can also make our lives richer.

If I have the ability to change our country's libraries, one thing I want to change most is to increase the number and types of books in libraries, the reasons are as follows:

Firstly, at present, many books in our country's libraries are not very comprehensive and can not meet people's various needs.

secondly, Because the books are not rich enough, many people can't get the books they want to read in the library, more and more people spend a lot of time reading on the Internet because they can view different kinds of news and rarely go to the library. I don't think it's a healthy way to surf on the Internet every day, especially for their eyes.

Finally, if our libraries are full of various books, It will be a great help for people in poor areas to get knowledge, they don't need to buy the books they want.

All the above are my opinions.

5.表达opinion, 问用Internet 获取 news的disadvantages , 说出有哪些, 并列举你的论据。

According my personal experience, I think people will be healthier in the future then they are now.

There are some reason as following:

Firstly, people are aware the healthy of their bodies now. For example, my colleague eat a little healthy foods at dinner time every day.

Secondly, they run at 3 kilometres every morning and evening to exercise the body.

The last one, they have given up many bad habits, such as somking and drinking.

To the reason above, I think people will be healthier in the future.

互联网作为你获取新闻来源的缺点都有啥, 让你说几点。

According to my personal experience, there are three disadvantages if you get news from the internet. Firstly, There is too much news on the Internet now, it is difficult to determine which news is true.

Secondly, It's hard to find the news that you need. You may waste a lot of time to find the news.

The last one, You may not have the electronic device to login the internet outside.

To the reasons above, I suggest get news from newspapers. That would be enough and efficient.

According to my personal experience, there are the following disadvantages reading news from internet. Firstly, there are a lot of useless and fake news in internet. It maybe give us wrong information. Secondly, there will be many duplicate reports for a hot event. Most of the reports are just copied from others. Such news will waste our time. Moreover, sometimes a wrong report can lead a bad direction of public opinion. This is very dangerous sometimes.

The disadvantages of getting news from the Internet are as follows:

First of all, the Internet is like a melting pot. A free and open environment allows people to publish all kinds of information, whether it is healthy or harmful.

Secondly, the news that people spend a lot of time browsing on the Internet is not necessarily true and accurate, and may lead to erroneous perceptions and judgments.

Finally, if everyone gets news on the Internet, it will be an impact and challenge to traditional methods

The above are the drawbacks of getting news from the Internet

7.5 表达观点 (这一题听后面的考试朋友说有考到原题)

最后一题是 未来几代是不是会比当前几代健康

Future generation will be more healthier than current generation

According my personal experience, I think people will be healthier in the future then they are now.

There are some reason as follows: Firstly, people are aware the health of their bodies now. For

example, my colleague eat a little healthy food at dinner time every day. Secondly, they run 3 kilometres at least every morning and evening to exercise the body. The last one, they have given up many bad habits, such as somking and drinking. For the reason above, I think people will be healthier in the future.

I think in the further, people will be healthier. Firstly, the medicine is becoming more and more developed so more diseases will be cured. Secondly, Life is being better so more and more people will do exercising to keep health. We can see now many young people like running, swimming and other sports. Lastly, government and people pay more attention to environment protection which make our water and air cleaner.

我: 1、健康生活-结出不良习惯 2、医学技术进步-人们少受疾病折磨 3、碳中和保障更少的环境污染和更多的树。所以下一代更健康

According to my experience, people in the future (future generations) will be healthier due to the following three reasons.

Firstly, more healthier life in the future. People are getting rid of bad habits such as drinking, moking and staying up late.

Secondly, medical technologies are improved. People are selfdom suffered diseases through advanced medical care. People live longer than before.

Last by not least, carbon neutrality will make sure of less pollution to the environment and more trees in the wolrd.

So our new generation will be healthier.

8.8 作为一个团队的 leader 高效沟通是不是最重要的? 为什么/为什么不? 举证或者举例 (其实可以举例的方式, 就是叙事!!!!)

According to my experience, I agree with this opinion. We'll communicate with team colleagues is the most important due to the following three reasons.

Firstly, 良好的沟通, 高效传达自己的需求给员工.

Secondly, 有什么问题的時候, 良好的沟通可以把问题说清楚, 可以快速寻求到帮助.

Last but not least,

So.

这题说得有点不太好。拿到题后, 马上按三个观点列出来并用英语口语练-在30秒内, 然后套用结构。

9 第九套 2023 年 0115 下午 17:00

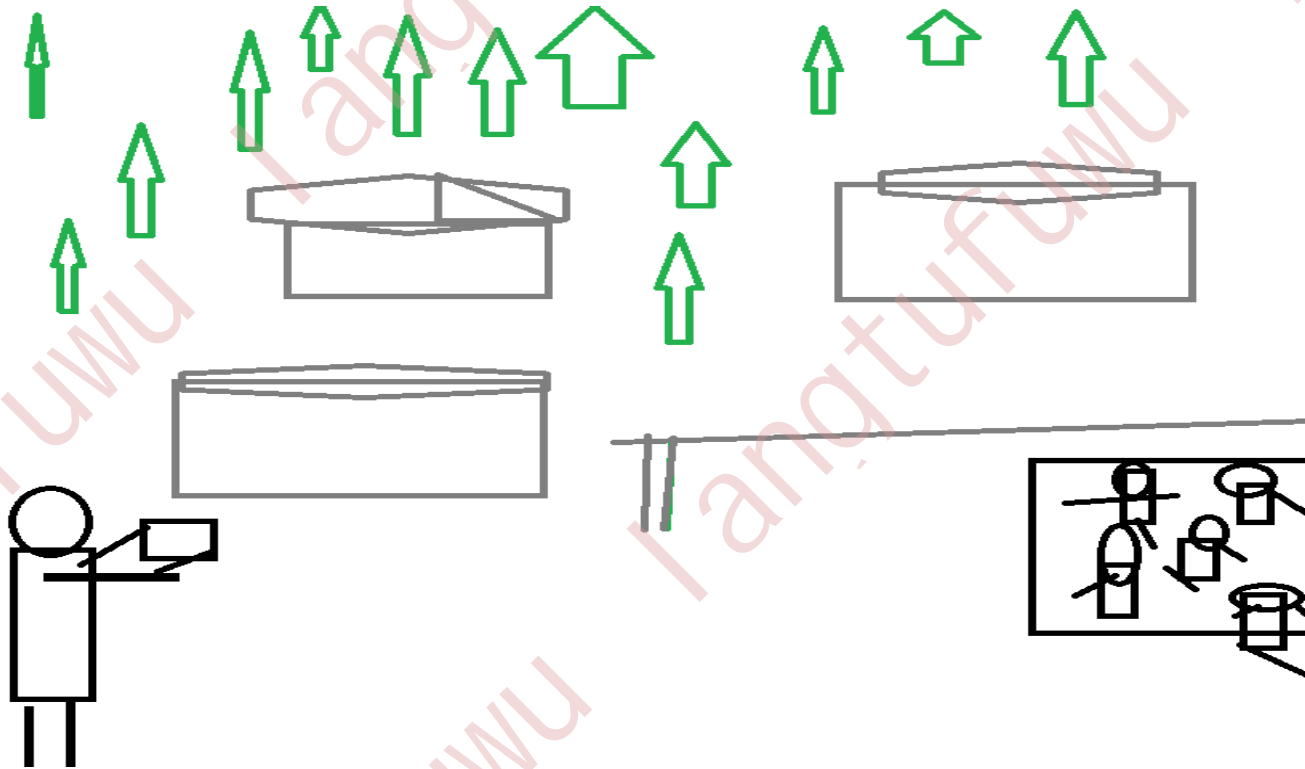

9.1 1

9.1.1 Kenneth 美['kenɪθ]/**sculptor** 英['skʌlptə(r)]/自己查一下, 我记得就这两个是生词

9.1.2 图 1

比较难判断是哪里 – 可以说是outside view外景或者不说。左边一个女的用pad或者手机给很多人拍照。这些人在开心地小, 后面有几间大房子, 后面有很多书。阳光满眼, 晴天。

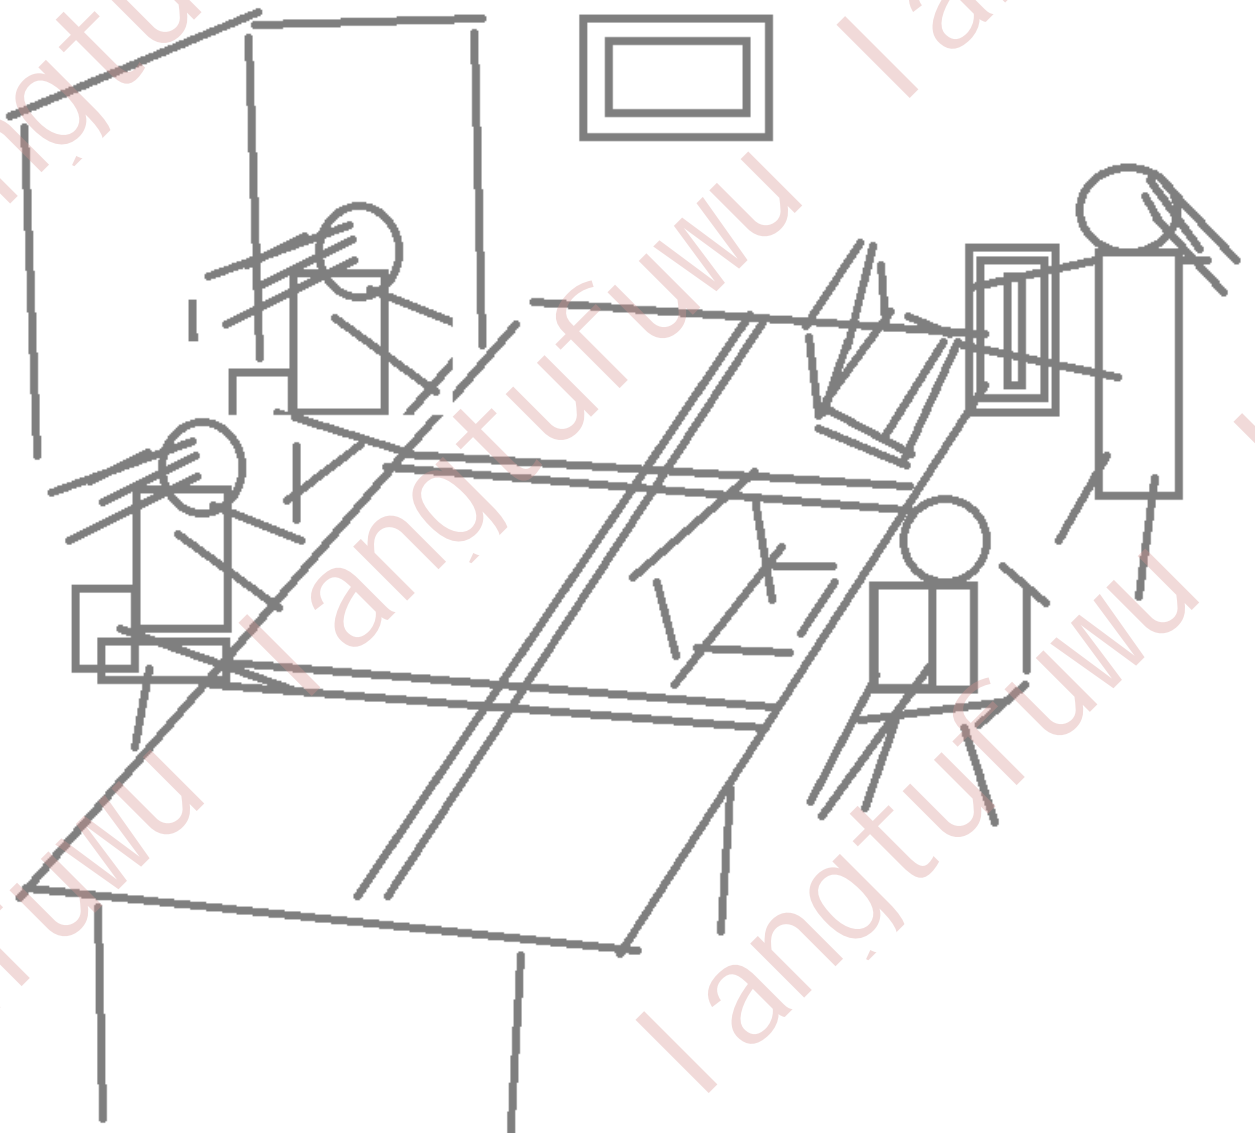

This is a close-up photo of the outside view. Many people, many buildings and many trees are in this photo. On the left, a young lady with a miniPad in her hands is taking photos for the people on the left. They smiles and looks like they are very happy. At the back there are many big houses. And behind the houses, there are many trees. There must be a big mountain behind. Today is a sunny date. Sunlight is very bright..

9.1.3 图 2

在一个会议室中，四人，6小桌子（看着是六张桌子拼凑起来的），很多凳子，一个笔记本、一台电视、一个演示板、一扇门。右后方一个女的正在给大家讲，其他人在用心听。

This is a close-up photo of a meeting room. 4 people, six small desk, many chairs, a laptop, a television, a door and a white board are in this picture. The woman stands behind the guy on the right is taking a big document and talking to the other guys. The other guys are listening and the man in front of her is looking at the screen of the laptop. The television is in the wall and the white board is totally white that no words are written on it. The door is opened. (女演讲者前面还有一个打开了的黑色箱子，你们自己考虑如何写进去哈)

9.2 采访问题 – 关于家具采购的

9.2.1 你房子里面最旧的家具是什么? 什么时候买的?

The oldest furniture in my house is my desk. I bought it last year in the market.

9.2.2 你有什么家具购买 purchase 需要吗? 准备买什么? (我记得是这样)

4. 回答问题

问: How often do you use your internet service and when do you usually use it ?

答: On average, i use the internet about twice a day. Normally, i go online before breakfast and then in the evenings at home.

问: How much do you pay per month for your internet service , and do you think the cost is reasonable

答: i am not sure exactly how much we pay per month because my parents usually pay the internet bill. I think it is about 25 yuan a month. That seems quite cheap to me.

问: How do you think your internet service could be improved?

答: sometimes, the service slows down and that can be quite sad. It gets especially slow during busy times like weekends and in the evening. It can be annoying if i am using the internet to play online games or download files. So it would be better if our internet service could be fast all the time.

6. 提供解决方案

问: 如果你上班的距离很远, 但是工资高, 你会怎么办?

For me, i will seek after one which is relatively near my house, because time matters me, i can use spare time doing my favourite things such as sleeping more time.

Then, i will quit my job at once, cause i can not tolerate spending 2 hours in commuting every working day.

Lastly, in this city of rapid development, time matters me, i can make the most of time to do other things.

7. 表达观点

工作第一还是家庭第一

主要就是从现在年轻人的压力出发, 一边要拼命工作维持家庭, 一边要照顾家庭, 分身乏术。看你怎么选择, 无论选择哪一方, 另一方就要割舍一点的。
